## DHF Refining Schedule

DHF Co. has been refining placer, doré, jewelry, dental scrap, and sweeps since 1973. Because we are both a refiner and a manufacturer, we work quickly and efficiently, our refining charges are minimized, and our customers benefit.

Our good reputation in the industry is verified by other refiners. We would be happy to provide you with referrals from some of our regular refining customers.

### DHF Refining Services:

- (A) DHF EXPRESS—2-Day Service on Gold, Silver, Platinum, or Palladium as the Only Payable Metal  
DHF TIME VALUE—10-Day Service on Gold, Silver, Platinum, or Palladium as the Only Payable Metal
- (B) DHF SCRAP & BULLION
  - Gold Only and Mixed Metal with Gold as the Primary Metal
  - Platinum Group Metals and Mixed Metals with any of the PGMs as the Primary Metal
  - Silver Only and Silver and Gold with Silver as the Primary Metal
- (C) DHF POLISHINGS
  - Gold Only and Mixed Metal with Gold as the Primary Metal
  - Platinum Only and Mixed Metal with Platinum as the Primary Metal
  - Silver Only and Mixed Metal with Silver as the Primary Metal
- (D) DHF PRODUCT EXCHANGE—Special Rates for Product Back from Your Settlement

Please call for a custom quote if you have material that doesn't match any of the schedules, or the quantity is larger than what is listed.

### Settlement Options:

- Receive a check
- Exchange for alloyed casting grain or fabricated products
- Credit account
- Receive bullion or bullion coins
- Store your return in a convenient Vault Account—your return is held as the weight value of your settlement, which you can retrieve via Product Exchange or sell back to us at the market rate (of the business day following your call)

### How to prepare your material for shipment:

- Completely fill out a DHF Refining Request Package Slip with your contact information
- Weigh each material you are sending to DHF Co. and write the weight next to the specified category on the form. If your weight and our received weight do not match, we will contact you immediately.
- Identify each package with your name and address
- Place the DHF Refining Request Package Slip inside
- Choose your method of shipment:
  - UPS or FedEx send to 6009 Bandini Blvd., City of Commerce CA 90040
  - US Mail send to PO Box 910952, Los Angeles CA 90091-0952
- Insure your package through your selected carrier for the anticipated value

If you have any questions or you would like to witness the sampling of your material, please call and a friendly voice will be there to help you. 800-822-1996

Precious Metals Refiner and Manufacturer of Quality Mill Products

## DHF Refining Schedule

### DHF PRODUCT EXCHANGE—Special Rates for Product Back from your Settlement

DHF Product Exchange offers you the least expensive way to obtain a wide variety of products from repair stock to pattern sheet. These charges are for the return of product from the same metal i.e. karat gold from gold scrap. If you wish to have platinum returned against a gold refining (or any metal from another metal's refining), the gold will be purchased and the proceeds used to pay the cost of the platinum at our regular price schedule.
